About Champion Homes

Campion Homes

Campion Homes is a family-owned housebuilder with over 37 years of experience creating high-quality homes across East Central Scotland. With a strong reputation for craftsmanship, energy efficiency and customer care, we have delivered in excess of 3000 homes to date and we continue to grow with a focus on thoughtful design and community value.

- / Campion Homes proudly holds the prestigious 5-star builder status from the House Builders Federation (HBF), awarded annually, based on customer satisfaction. This accolade reflects consistently strong feedback.
- / From sales through construction, Campion Homes puts quality at the forefront of our entire ethos. We attribute our HBF recognition to meticulous workmanship, attention to detail and the dedication of our executive team overseeing each development.
- / We are committed to designing and building new homes that offer flexibly designed living spaces that are energy efficient and meet the varying needs of our clients.
